

TO ALL BIDDERS,

21st November 2024

Dear All,

ADDENDUM NO. 2

**RE: TENDER FOR PROVISION OF INTERNET AND WIDE AREA NETWORK CONNECTIVITY SERVICES: TENDER NO. KRB - KRB/T/8/2024-2025.**

In reference to the above tender, the Board hereby inform firms participating in the tender process that a response has been deemed necessary following a request for clarification as follows;

No.	Request for clarification	Response
1.	<b>Hosting</b> - What is the specification of the hosting environment? Are proposals expected to provide shared or dedicated hosting?	The successful bidder will host the Board's website, any portals and the domain. The backup storage is already hosted and the bidder will only provide an MPLS link to the host and internet access.
2.	<b>Security</b> - The Tender document confirms availability of firewalls at HQ and across all branches. Please confirm whether the successful bidder shall manage (support & configuration) these firewalls or Kenya Roads Board will manage for themselves.	The successful bidder shall configure internet access and the link between the regions and the HQ. Thereafter, the firewalls will be managed by KRB.

Kindly note that the tender closing/ opening date through addendum No. 1 was earlier extended to Thursday **28<sup>th</sup> November 2024**.

This addendum is construed to form part of the tender requirements. All other terms and conditions of the tender remain the same.

**R. Mohamed, MBS**  
**DIRECTOR GENERAL**
